

WETHERSPOONS DRINKS MENU

THE FULL RANGE · 31 JULY 2026

About the prices. Wetherspoons publishes no national drinks price list. Every pub sets its own and shows them on the board behind the bar or in the app once you pick your pub. This sheet prints the range, which is national, plus the two figures the company does publish: Ale Club at £1.49 to £2.15 on Monday, Tuesday, Wednesday, and the meal-deal drink, included from £8.46. Anything printed as a fixed national price for a pint is guesswork.
